Interior Health declares outbreak over at Noric House in Vernon

VERNON – Interior Health has declared the COVID-19 outbreak over at Noric House in Vernon.

“I want to thank our staff for their hard work during this challenging outbreak at Noric House,” said Susan Brown, Interior Health president and CEO. “On behalf of Interior Health, we send our condolences to the loved ones and caregivers of those who passed away.”

In total, 39 residents, 28 staff and 10 deaths were linked to the outbreak.

“We are pleased to declare another COVID-19 outbreak over,” said Dr. Albert de Villiers, chief medical health officer. “We are seeing a decrease in the number of cases in long-term care thanks to COVID-19 vaccinations.”

Noric House is an Interior Health owned and operated long-term care home with 85 publicly funded beds.
