

For Immediate Release | July 15, 2021

Temporary interruption to X-ray service in Barriere

BARRIERE - Barriere and area residents are advised that non-emergency medical imaging services are temporarily unavailable at the Barriere Health Centre until further notice due to limited technologist staffing.

Patients requiring these services will be directed to alternate locations:

Royal Inland Hospital – 311 Columbia Street, Kamloops

Hours: 7:30 a.m. to 10:30 p.m. Monday to Friday.

No appointment required.

Dr. Helmcken Memorial Hospital in Clearwater – 640 Park Drive, RR#1, Clearwater

Hours: 8:30 a.m. to 4:30 p.m. Monday to Friday.

Book an appointment by calling 250-674-2244.

Interior Health reminds people that anyone requiring emergency care should call 911.

Our priority is to support people across the region with access to medical imaging services. We are actively recruiting for additional medical imaging technologists to support services in all our communities, including those in Barriere.

We regret this change to normal services and will update the community when more information is available.
