Interior Health seeking qualified health-care providers to help with COVID-19 immunizations

IH Wide – Interior Health is seeking qualified health-care workers to provide COVID-19 immunizations and to provide support at immunization clinics throughout the region.

Qualified health-care providers may include:

- Retired nurses
- Midwives
- Practicing and non-practicing physicians
- Nursing students
- Dentists
- Dental hygienists
- First responders, including paramedics and firefighters
- Chiropractors

Qualified health-care providers residing in the Interior Health region who are interested in helping with the province's continuing immunization efforts are encouraged to reach out to Interior Health by visiting: <https://ihimmunizers.myhealthinfo.ca>.
