### Consider these additional tips if you are going to use drugs

- Only drug checking can tell you what is in your drugs.
- Drug checking available at ASK Wellness, 433 Tranquille Rd. 
- Mon, Tues, Wed, Thurs (Morning), Fri. Contact 250-299-7219 for additional times/locations
- Find other drug checking locations at [www.drugchecking.ca](http://www.drugchecking.ca)
- Start with a small amount and see how you feel before taking more
- People with no opioid tolerance more at risk of opioid overdose
- Risk increased if mixing with other drugs, especially depressants, including alcohol
- Use with others around or at an Overdose Prevention Site (OPS)
- Carry naloxone and know how to use it
