Consider these additional tips if you are going to use drugs

- Find drug checking locations at www.drugchecking.ca
- Start with a small amount and space out your doses
- Be aware of risks if mixing with other drugs, including alcohol
- Be aware that benzodiazepine induced sedation is not reversible by naloxone
- Use with others around or at an Overdose Prevention Site if available in your community (OPS)
- Carry naloxone and know how to use it
- Get the LifeGuard App - lifeguardddh.com
- Call 211 or visit bc211.ca to find services near you
