Monday to Thursday 9am to 4pm and Friday 9am to 12pm

When using with others, take turns so you can help if needed.

Consider these additional tips if you are going to use drugs

- Find drug checking locations at www.drugchecking.ca
- Start with a small amount and space out your doses
- Be aware of risks if mixing with other drugs, including alcohol
- Be aware that benzodiazepine induced sedation is not reversible by naloxone
- **Use with others around or at an Overdose Prevention Site if available in your community (OPS)**
- Carry naloxone and know how to use it
- Get the LifeGuard App - lifeguarddh.com
- Call 211 or visit bc211.ca to find services near you
