Elk Valley Hospital	52%	N/A	
South Okanagan General Hospital	87%	82%	
Interior Health*	74%	73%	

Total number of observations this quarter in the above Facilities was 198

Hand hygiene rates are based on observations of staff practicing hand hygiene before or after patient care, as seen by auditors. Comparisons between facilities are not advised as they may differ in their size, patient characteristics, and services they provide. NA indicates data not available, or insufficient number of observations to report a rate. Hand hygiene compliance rates include all health-care provider disciplines.
